RECENT DEATH

Karen Sue Walsh, 19

The warden of one of the more advanced prisons began to feel sorry for one of the prisoners. On visitors' day, while most of the prisoners received kinfolk and such, this fellow sat alone in his cell.

One visiting day, the warden called him into the office. "Ben," he said kindly, "I notice you never have any callers. Don't you have any friends — or family?"

"Oh sure," replied Ben happily, "but they're all in here."

I don't believe the half I hear,
Nor the quarter of what I see!
But I have one faith, sublime and true,
That nothing can shake or slay:
Each spring I firmly believe anew
All the seed catalogues say!
